

This guide offers examples for users citing MLA style. Examples provided are based on the MLA Handbook, 7th edition, 2009. The examples below reflect those citations most widely used by SPS students. For additional examples, please consult the MLA Handbook, available at the library's front desk. For further help consult your teacher or a librarian.

### **Database Sources in Your Works Cited List**

In your Works Cited list, double space all entries and list in alphabetical order by author's last name. For cases not covered here, please check the MLA Handbook (7th ed.) 192-193. In addition, you may want to consult the Noodlebib Citation Guide available [HERE](#). **The date which precedes the URL/network address in the each example below refers to the date you access that site.**
